Health

The logo for Medizia Biotech is centered within a large circular graphic. The circle is divided horizontally into two halves: the top half is red and the bottom half is dark grey. The logo itself consists of the word "Medizia" in a bold, black, sans-serif font, with a red cross symbol integrated into the letter 'i'. To the right of "Medizia" is a small "TM" trademark symbol. Below "Medizia" is the word "BIOTECH" in a red, all-caps, sans-serif font. The background of the entire page is a warm orange-brown color with a subtle pattern of faint, light-colored medical icons such as a heart, a microscope, a pill, and a stethoscope.
